

Keep it working like magic!

With **Care & Repair** if your tech stops working we'll fix it fast. If not, we'll replace it on request.

You're good to go!

We'll confirm everything you need to know about your plan by email shortly.

If you have any questions about your plan, give us a call on 0800 800 6080 or you can check out our [Care & Repair FAQs](#)
